Dear Parents/Guardians,

Welcome to the Vail School District. Below is information regarding the application and payments for the National School Lunch and Breakfast Program offered at your child's school.

The School Meal Handbook can be viewed on the District website at <http://www.vailschooldistrict.org> under the School Meal Program tab or visit your child's school website.

Free or Reduced School Meal Applications will be available after July 1 at your child's school or online at <http://www.mymealtime.com>. Please remember that a new Free or Reduced School Meal Application must be completed every school year. The free or reduced meal price becomes effective as of the date the new application is approved. Student meal accounts are charged the full price of school meals each day until the application is approved. Any charges incurred prior to the application approval must be paid in full.

Below are payment options:

- 1) Debit or Credit Card - Contact Vail Food Service - Cynthia (520) 879-2015 or Mary (520) 879-3913
- 2) Online at <http://www.mymealtime.com>. You are required to set up an account
- 3) Check and/or cash are accepted at the school

Do you have a student who currently receives free or reduced meal benefits? If so, please contact Vail Food Service after July 1 to have this benefit extended to your kindergarten student. This benefit will be effective for the first 30 days of the 2018-2019 school year or until a new application has been approved.

If you have any questions, please do not hesitate to contact Vail Food Service at (520) 879-3913 or (520) 879-2015 or email vailfoodservice@vailschooldistrict.org.
